Transcendence!

At the point of death, a man, **Tom smith**, called his children and he advised them to follow his footsteps so that they can have peace of mind in all that they do.

His daughter, **Sara**, said, "Daddy, its unfortunate you are dying without a penny in your bank. Other fathers that you tag as being corrupt, thieves of public funds left houses and properties for their children; even this house we live in is a rented apartment. **Sorry, I can't emulate you, just go, and let's chart our own course.**

Few moments later, their father gave up the spirit.

Three years later, **Sara** went for an interview in a multinational company. At the interview the Chairman of the committee asked, "**Which Smith are you?**"

Sara replied,
"I am **Sara Smith**. My Dad Tom Smith is now late."

Chairman cuts in "O my God, you are Tom Smith's daughter?"

He turned to the other members and said, "This **Smith** man was the one that signed my membership form into the Institute of Administrators and his recommendation earned me where I am today. He did all these free. I didn't even know his address, he never knew me. He just did it for me."

He turned to **Sara**, "I have no questions for you, consider yourself as having gotten this job, come tomorrow, your letter will be waiting for you."

Sara Smith became the Corporate Affairs Manager of the company with two Cars and Drivers. A Duplex attached to the office, and a salary of £100,000 per month excluding allowances and other costs.

After two years of working in the company, the MD of the company came from America to announce his intention to resign and needed a replacement. A personality with high integrity was sought after, again the company's Consultant nominated **Sara Smith**.

In an interview, she was asked the secret of her success.

With tears, she replied, "**My Daddy paved these ways for me. It was after he died that I knew that he was financially poor but stinkingly rich in integrity, discipline and honesty.**"

She was asked again, why she is weeping since she is no longer a kid as to miss her dad still after a long time.

She replied, "At the point of death, I insulted my dad for being an honest man of integrity. I hope he will forgive me in his grave now. **I didn't work for all these; he did it for me to just walk in.**"

So, finally she was asked, "Will you follow your father's footsteps as he requested?"

And her simple answer was, "I now adore the man, I have a big picture of him in my living room and at the entrance of my house. He deserves whatever I have after God."

Are you like Tom Smith?

It pays to build a name, the reward doesn't come quickly but will come however long it may take and it lasts longer.

Integrity, Discipline, Self control and Fear of God make a man wealthy, not the fat bank account.

Inauguration of Clubs | The Fresher's Day

The Fresher's Day

The Fresher's Day was celebrated at the Senior Block on 18th June -2016. The newly joined students and staff showcased their talents through various mind blowing performances. Principal, Mr. E. Girish in his speech, stressed the significance of conducting such programmes in schools in order to identify the hidden reservoirs of talents and to use them for the overall development of the student fraternity. It also served an ice-breaking moment for the freshers from classes VI to XII when they staged programmes like skit, symphony, dance, speech, magic show and presented an array of martial arts. The school was enthralled by the performances.

It was a welcome party at the Primary Block to the newcomers, inviting them into a friendly atmosphere to encourage their creative impulses and to boost their confidence. A little music, new faces, smiles all along, resounding laughter - yes! It was party time! There would be no better way to celebrate a Fresher's Day than with such an enchanting and entertaining cultural extravaganza comprising of dances, melodies and choreography as presented by children.

The Fresher's Day | Fruit Salad Day

Fruit Salad Day

-Enjoy the taste of eating right!

The delicious and nutritious fruits play an essential part of a daily diet, keeping us fit and fine for a healthy living. To develop the habit of eating fruits among children, the Fruit Salad Day was celebrated.. Children were asked to bring their favorite fruits to the class and share them with their friends. The teachers and students together prepared a tasty fruit salad. The children enjoyed the yummy-yummy fruit salad and were curious to know more about fruits. Their curiosity led them to research more on plants and trees in gardens and orchards - Fruits like mangoes, apples, pomegranates, oranges, grapes, papaya, guavas which are relished and savored in different seasons of the year.

The tiny tots learnt more about fruits when they were taken to Pazhamudir Nilayam, Peelamedu – the smell, colour, texture of fruits and the hygiene part of washing the fruits before eating them. It indeed was a fruitful venture to gain knowledge on the benefits of eating fresh fruits.
